Correction to:
Plant Systematics and Evolution (2022) 308:9
https://doi.org/10.1007/s00606-021-01796-7

The 4th sentence in the abstract section has been incorrectly published in the original article. The complete correct sentence is given below.

Ploidy levels found by FCM were confirmed by chromosome counts of diploid (2n = 26) and tetraploid (2n = 52) samples.

The original article has been corrected.
