In the published article, there was a mistake in the Keywords. The keywords were displayed as “biofertilizer, *Closteriopsis acicularis*, crop productivity, microalgae, plant growth, sustainable agriculture, *Tetrademus nygaardii*”. The correct Keywords are “biofertilizer, *Closteriopsis acicularis*, sustainable agriculture, microalgae, plant physiology, sustainable crop production, *Tetrademus nygaardii*”.

An incorrect **Funding** statement was provided. The correct funder is [Qassim University]/the correct **Funding** statement reads:

The author(s) declared that financial support was received for this work and/or its publication. This work was supported by Qassim University.

In the **Acknowledgments**, mistakenly added dual acknowledgments.

In the published article, there was a mistake in the **Acknowledgments**. The **Acknowledgments** was displayed as “This research was funded by the Pakistan Science Foundation via the National Science Linkage Program (NSLP) under award number PSF/NSLP/C-QAU-895. We extend our appreciation to the deanship of Educational Services, Department of Biochemistry, Qassim University, Buraidah, Saudi Arabia.” The correct statement is “The researchers would like to thank the deanship of Scientific Research, Qassim University for funding the publication of this study”.
