Obituary Mrs. Hazel Pollard writes "You will be grieved to hear that Rosa Franklin died very suddenly on her way to Ireland on the 19th. December. She has been a very dear friend of mine since we were in our late teens, and she was my bridesmaid 52 years ago. Rosa had many troubles in her life but she was the cheerfulest person I knew and the most delightful company. Her interest in botany was a great joy which she radiated to others, and her ear for bird song was marvellous. She remembered notes of a bird song after an interval of years. She was a great plantswoman and had a beautiful garden which she tended herself. Her enthusiasm and energy were infectious and she so much enjoyed the Society's walks. She joined the Society in 1968. We shall all miss her."
