North Carolina Wild Flower
Preservation Society
Mrs. Herbert P. Smith, President
Sept. 17, 1951

Dear Member,

At the end of the first four months of the first year of our Society, we find our membership has more than doubled and we now have 63 members, a list of whom you will find enclosed. Our membership committee is to be commended for this fine piece of work.

Bring a new member with you to our Fall Meeting which will be Sunday, Sept. 30th, 1951.
Place: "Hobby Acres", "Wild Flower Preserve" of the W. B. Carroll's of Siler City, N. C.
Time: Go any time you like from 12:00 on, our program will start at 2:00.

Those who would like to take a lunch will find a nice place there to eat. Detailed directions prepared by Mrs. Carroll enclosed. We are indeed fortunate to have this invitation and if you can attend, you are in for a real treat, to see and enjoy the many hundreds of plants and the gracious hospitality of our hosts.

Our program chairman, Mr. E. L. Ray, of Asheboro has a most interesting and helpful program planned and whatever the weather, the meeting will be indoors.

Bring with you- a note book, a pencil, a collection of wild flower seed you have saved this summer to send in another direction by another member. Come comfortably dressed, our meeting will be quite informal. Bring a good article, paper or extra book to help get our "Wild Flower Garden Center" started. Bring a pressed flower from your locality to put in our Society's Herbarium. Attach blank which you will find enclosed. Leave the flower between the two blotters and the custodian of the Herbarium will assemble them. <u>You will</u> want to have a part in this.

Write out a plan which you would like to see carried out and mail or hand to our vice president and planning comm. chairman, Mrs. O. E. Koebberling, 707 Longview Street, Greensboro, N. C.

We are grateful to Miss Cleta Rich for her help in preparing and printing our membership list and the good publicity she has given us in the daily papers.

A good suggestion has come from Mrs. H. R. Totten, that on all of our trips we make, list the wild flowers you see, date and place. These list could be compiled and would make good material for our Garden Center.

Your president would like names of those who would go to talk to clubs on the subject of Wild Flowers.

Looking forward to seeing you Sept. 30th, and to your help in making this, our first year in the N. C. Wild Flower Preservation Society, one of much interest and activity, I am,

Cordially yours,

Conner W. Smith (Mrs. H. P.)
President

HOW TO FIND "HOBBY ACRES"

(Cabin & Wildflower Preservation
of the W. B. Carroll's which is
3 miles East of Siler City.)

FROM GREENSBORO:
When approaching Siler City via Highway #421 - Keep left hand road at large intersection just outside of town; follow this road until it crosses #64 just east of the overhead bridge. Turn left follow #64 for distance of 3 miles. Watch for temporary cardboard sign on right side of highway and Davis Service Station on left. Intersection of roads shown on sketch at bottom of this page.

FROM ASHEBORO:
Follow new Highway #64 - this by-passes Siler City. After crossing overhead bridge follow directions "FROM GREENSBORO".

FROM SANFORD:
Follow #421 to second stop light in town of Siler City. This will be the intersection of #421 and #64-A. Turn right here (Smith & Buckner Funeral home in right-hand corner) and follow #64 to Intersection of roads described in "Directions from Greensboro".

FROM PITTSBORO:
It is not necessary to go all way to Siler City in order to get to "Hobby Acres". You will need to turn off #64 about 3 miles east of Siler City. Watch for temporary cardboard sign on left side of highway and Davis Service Station on right at Intersection of roads shown on sketch at bottom of this page.

CAUTION:
Be sure to keep these instructions as "Hobby Acres" is not the home of the W. B. Carroll's and should you ask when you reach Siler City, how to find their home you would not find the place of our meeting; since the Carroll's will be at "Hobby Acres" there will be no one at the home to direct you.
