2. Northern Manaia ridge

DICOTS

Alseuosmia x quercifolia
Beilschmiedia tawaroa
Corokia buddleioides x C. cotoneaster
Hebe ligustrifolia
Nestegis montana
Pseudowintera axillaris

MONOCOTS

Gahnia pauciflora

3. North-west flank, Manaia ridge, NZMS 1 N24 023879 (outside Scenic Reserve)

DICOTS

Celmisia adamsii var. rugulosa
Dodonaea viscosa
Hakea sericea*
Leptospermum scoparium
Pittosporum umbellatum

MONOCOTS

Schoenus tendo

* denotes adventive species.

The plants were recorded on three separate trips and voucher specimens exist at AK and AKU herbaria for many of the records.

December 1984

WAITAKERE ADVENTIVE PROJECT - Part 2

J. Mackinder

In the Newsletter 37, No. 2 (July, 1982) 155 adventive plants from the Waitakere Range were recorded. Since then another 54 voucher specimens have been deposited at the Herbarium of the Auckland Institute and Museum (AK). These are listed here with their herbarium numbers.

GRASSES

X Agropogon littoralis 162672
Agrostis gigantea 154849
Brachypodium sylvaticum 162669
Dactylis glomerata 165745
Echinochloa crus-galli 165740
Eragrostis brownii 165738
Gastridium ventricosum 165742
Phalaris aquatica 165749
Stipa neesiana 162679
Vulpia myuros 165755

SEDGES & RUSHES

Carex longebrachiata 165752
Cyperus brevifolius 162674

MONOCOT HERBS

Alstroemeria pulchella 165743
Crocosmia x crocosmiiflora 162666
Gladiolus x cardinalis 165761

DICOT HERBS

Acaena agnipila var. protenta 162667
Acanthus mollis 165735
Amaranthus lividus 165748
Aphanes microcarpa 165762
Borago officinalis 162670
Coronopus didymus 165737
Dipsacus fullonum 165769/70
Fumaria bastardii 165764
Galium aparine 165758
Geranium robertianum 162684
Hydrocotyle tripartita 165759
Hypericum humifusum 165767
H. perforatum 165746
Lotus suaveolens (subbiflorus) 162677
Melilotus indica 165756
Mimulus moschatus 165730
Polycarpon tetraphyllum 165736
Polygonum aviculare 165747
Rumex conglomeratus 162668
R. crispus 165754
Trifolium fragiferum 162665
T. glomeratum 165765
Verbascum virgatum 165753
Verbena bonariensis 162682
V. litoralis 162681

DAISIES

Achillea millefolium 162675
Cirsium arvense 162671
Gnaphalium candidissimum 165768
G. calviceps 165739
Senecio jacobaea 165733/4
S. vulgaris 165766

TREES, SHRUBS, & LIANES

Acacia paradoxa (armata) 162673
Erica arborea 165760
Hakea gibbosa 162245
Lycium ferocissimum 162683
Osteospermum moniliferum 165750
Passiflora caerulea 165763
P. mollissima 162676
Salix cinerea 162244

22 November 1984

ADDITIONS TO THE LISTS OF SPECIES IN "SCENIC RESERVES OF LOWER NORTH AUCKLAND DISTRICT" (Gardner, Court, Esler)

Sandra Jones

Kauri Glen, Northcote

Acianthus fornicatus var. sinclairii (in flower)
Corybas trilobus (quite common, some flowers among abundant leaves)
Pterostylis brumalis (in flower)
P. graminea var. rubricaulis (in flower)
Tmesipteris elongata
T. lanceolata

Kauri Park, Birkenhead

Acianthus fornicatus var. sinclairii (in flower)
A. reniformis (leaf only, some buds)
Athyrium australe
Corybas aconitiflorus (in flower)
C. oblongus (leaf only)
Grammitis ciliata
G. rawlingsii
Pterostylis alobula (in flower)
P. graminea var. rubricaulis (in flower)
P. trullifolia (in flower)
Schizaea fistulosa

24 August 1984

This list was derived from the Bot Soc field trip to the North Shore reserves, 21 Aug 84.
