NEWS of MEMBERS OVERSEAS.

K. Given, a member of the Society 's first council, is in a medical corps of the third Echelon. He wrote from Cyprus in May and is now probably back in Egypt.

Lieut. A.L.Poole, after serving some months with the 15th Forestry Corps in England has been seconded to the High Commisioner's Office to a post where his wide knowledge of economic botany should be most useful. He writes enthusiastically about the high standard, even under war conditions, of the trade displays at the Royal Horticultural Society's show in the spring.

Miss Betty Lorimer is in Egypt in charge of a Y.W.C.A. hostel catering especially for Army nurses off duty.
