Book reviews

Some new books were sent to the Editor when the Bulletin was being printed. As mentionned on page 30 of the present issue :

"If you are willing to review one of these books please contact the Editor at the address indicated at the beginning of the Bulletin (page 18). On request we will send you the book you wish to review."

Please keep in mind that the deadline for the August issue is July 1.

Plant Functional Types, their relevance to ecosystem properties and global change
Edited by T.M. Smith, H.H. Shugart & F.I. Woodward
