antioxidant, antibacterial, anticancer, gel, green synthesis, selenium nanoparticle, *Terminalia arjuna*

A Correction on

Facile green synthesis and characterization of *Terminalia arjuna* bark phenolic–selenium nanogel: a biocompatible and green nano-biomaterial for multifaceted biological applications

by Puri A, Mohite P, Patil S, Chidrawar VR, Ushir YV, Dodiya R and Singh S (2023). *Front. Chem.* 11: 1273360. doi: 10.3389/fchem.2023.1273360

In the published article, there was an error in **Figure 11** as published. While submitting the manuscript and figures, there was an overlap between the antibacterial zone of inhibition images in the present publication and the images in a previous publication reporting similar experiments and results, which resulted in the incorrect figures being included in this article. The corrected **Figure 11** and its caption appear below.

The original article has been updated.

FIGURE 11
Antibacterial activity of *Terminalia arjuna* bark extract-reduced SeNPs.
