

CORRECTION

Correction: Spatial Distribution Patterns in the Very Rare and Species-Rich *Picea chihuahuana* Tree Community (Mexico)

Christian Wehenkel, João Marcelo Brazão-Protázio, Artemio Carrillo-Parra, José Hugo Martínez-Guerrero, Felipe Crecente-Campo

[Fig 1](#) is incorrect. The authors have provided a corrected version here.

In the Material and Methods section, there is an error in the sixth equation of the section titled “Covariation analysis.” Please view the complete, correct equation here:

$$C := \frac{\sum_{i < j} (X_i - X_j) \cdot (Y_i - Y_j)}{\sum_{i < j} |(X_i - X_j) \cdot (Y_i - Y_j)|}$$

There is an error in the third sentence of the fifth paragraph in the Discussion and Conclusions. The correct sentence is: In SJ, spruces had an aggregated pattern to other species, contrarily to a study in an old growth spruce-fir forest in Changbaishan Natural Reserve, China [41].
