In Fig. 1b of this article, the number of chromosome20 of haplotype b were incorrectly given as chr21b but should have been chr20b. The vertical coordinates in Fig. 3 of the article are erroneously labeled as chr01a, chr01b... to chr20a, chr20b from top to bottom. The correct order should be from top to bottom: chr20b, followed by chr20a... to chr01b, and finally chr01a. The original and corrected Fig. 1 and Fig. 3 are shown below. The original article has been updated.
